

PINKISH FLOYD

AN IMMERSIVE PINK FLOYD EXPERIENCE

Featuring veteran performers from Broadway, Los Angeles, Las Vegas, Orlando, and the UK, Pinkish Floyd brings an immersive, multimedia Pink Floyd experience to life!

Every performance delivers the music, lights, lasers, and video effects that Pink Floyd fans expect -

We are passionate about our project, and look forward to expanding our fan base in 2023.

The show typically lasts 2 - 3 hours, and comprises a 'best-of' set-list (spanning the whole discography), in addition to dedicated, complete album renditions of Dark Side of the Moon and Wish You Were Here.
